SUBJECT: LESOTHO: SOMALI PIRACY DEMARCHE DELIVERED

REF: STATE 47531

On May 9, Poloff delivered reftel demarche to Lesotho's Ministry of Foreign Affairs Americans and Europe Desk Director Pitso Makosholo. While agreeing that piracy off the Somali coast was a troubling problem, he did not offer substantive comment on the UNSC draft resolution. He said that he could follow up on the issue with Lesotho's mission in New York.
